

# TP SERIES

## CUSTOM MADE PRESSURE VESSELS

operating pressure	on request
operating temp.range	on request
design	on request

### APPLICATIONS

- compressed air systems

### DESCRIPTION

Omega Air d.o.o is also a producer of custom made pressure vessels according to PED or ASME standards.

Each of our pressure vessels is calculated, assembled, tested and guaranteed to conform standards and to withstand the process necessary for your application.

Custom made pressure vessels can include a diverse range of:

- sizes and volumes,
- horizontal or vertical designs,
- modular or packaged systems,
- special alloys and materials,
- high or low pressure ratings,
- heating and cooling options,
- accessory valves and piping,
- ladders and platforms,
- anticorrosion protection...
